

GENERATIONS INTERNATIONAL SCHOOL

SCHOOL UNIFORM POLICY

Introduction

This uniform policy aims to provide parents and students with a clear and common understanding of what is required in the wearing of a school uniform.

School uniform is compulsory, and all students are required to wear the authorized school uniform whilst on school premises and when attending official school activities during and after school hours.

Policy Statement

A school uniform encourages a sense of belonging and provides a visible identity with the Generations International School Community.

Our uniform reflects the distinctive nature of Generations International School. Our school colors are light blue, turquoise, and yellow. The school logo featured on the polo shirt consists of a lighthouse and a G, the first symbolizing the East meeting the West, and the second symbolizing the encounter of Generations, one of the mission and vision of the school.

The logo also carries the motto “Discoveries enlighten Life” (Lighthouse, light).

There is also a yellow bucket hat for kindergarten and a cap for the remaining grades that is to be worn as school uniform.

Aims

Students will:

- Wear the **full school uniform** to school every day.
- Wear the prescribed school hat all year round (especially when outside the school).

Parents are expected to:

- Support the school in the matter of correct uniform.
- Label all the items for easy identification.

Generations International School/Staff will:

- Encourage students to always wear the correct uniform.
- Provide a page on the website for the uniform request.

Exceptional Circumstances: The school recognizes that occasionally, due to family reasons, a child may come to school out of uniform. On these occasions

parents should provide a note to the class teacher. The Principal may also approve special occasions where uniforms are not required to be worn.
