## **SCHOOL UNIFORM POLICY**

## Introduction

This uniform policy aims to provide parents and students with a clear and common understanding of what is required in terms of the school uniform.

School uniform is compulsory and can be purchased at the school. All students, from Kindergarten to Secondary, are required to wear the designated school uniform whilst on school premises and when attending official school activities outside of the school, during and after school hours.

## Policy Statement

A school uniform encourages a sense of belonging and provides a visible identity within the Generations International School Community.

Our uniform reflects the distinctive nature of Generations International School. Our school colors are light blue, turquoise, and yellow. The school logo featured on the polo shirt consists of a lighthouse and a G, the first symbolizing the East meeting the West, and the second symbolizing the encounter of Generations, which are part of the mission and vision of the school.

The logo also carries the motto “Discoveries Enlighten Life” (Lighthouse, light).

There is also a yellow bucket hat for kindergarten and a cap for the other grades that are to be worn as part of school uniform.

## Aims

Students will:

- Wear the **full school uniform** to school every day.
- Wear the prescribed school hat all year round (especially when outside the school).

Parents are expected to:

- Support the school in ensuring students wear the correct uniform.
- Label all the items with the student's name for easy identification.

Generations International School will:

- Encourage students to always wear the correct uniform.
- Provide a page on its website for the uniform request.

Violation of the dress code may result in school staff contacting the Guardian/Parent, confiscating the item, or even sending the student home to change clothes.

All clothing items must be labeled with the student's first and last name to safeguard possible uniform exchanges between children.

In specific situations of excessive cold, the School will inform families in advance about the possibility of bringing other clothing items.

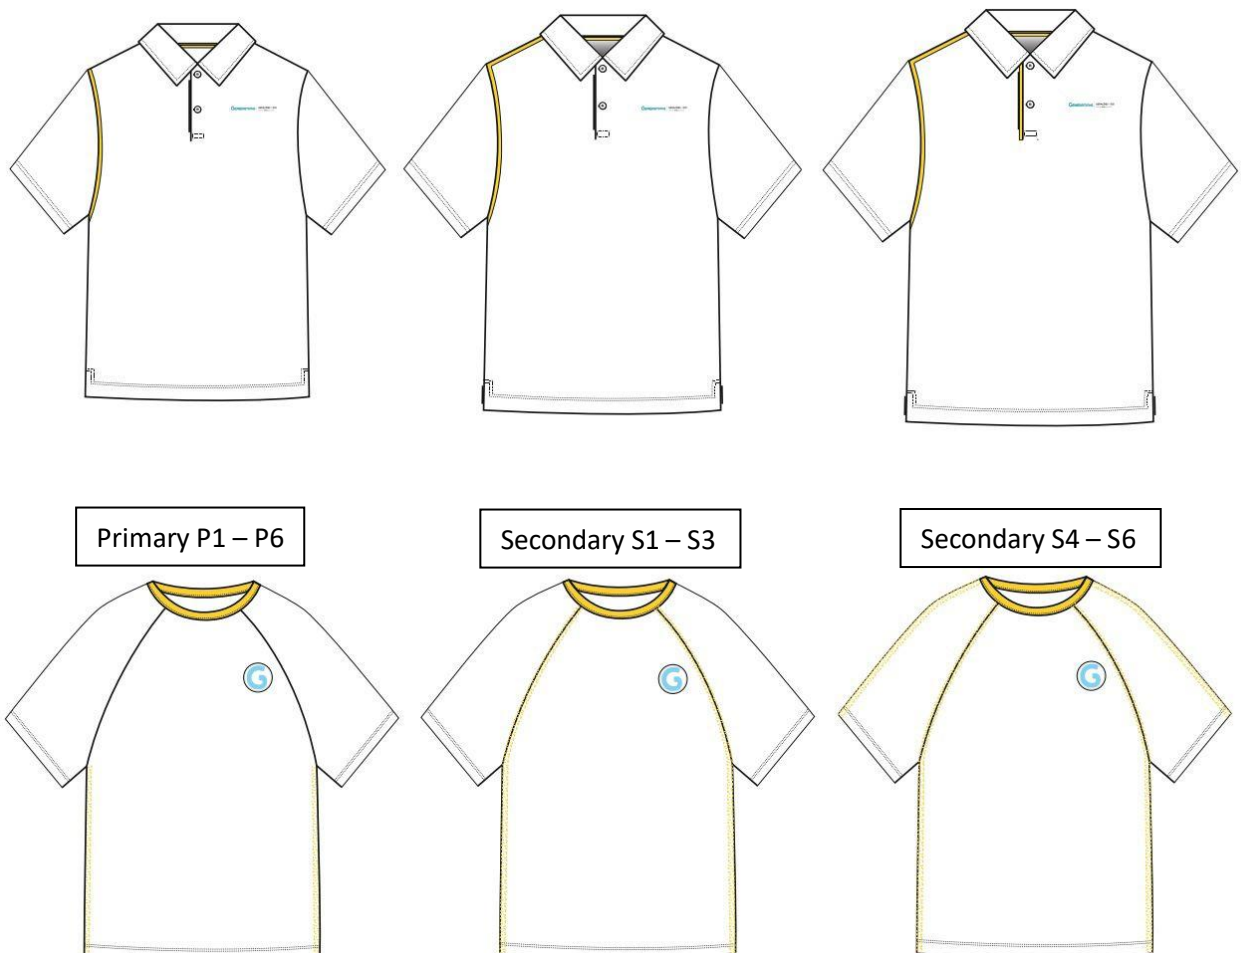

## Generations International School Uniform

Summer and winter uniforms are interchangeable at Generations School. Parental discretion is required whether choosing, for example, long or short sleeves, shorts, skirts or pants.

Kindergarten, Primary and Secondary are identified by their T-shirt and Polo-shirt (except kindergarten).

The T-shirt from Kindergarten is a white T-shirt without yellow lines on the side.
